Editors' Acknowledgment

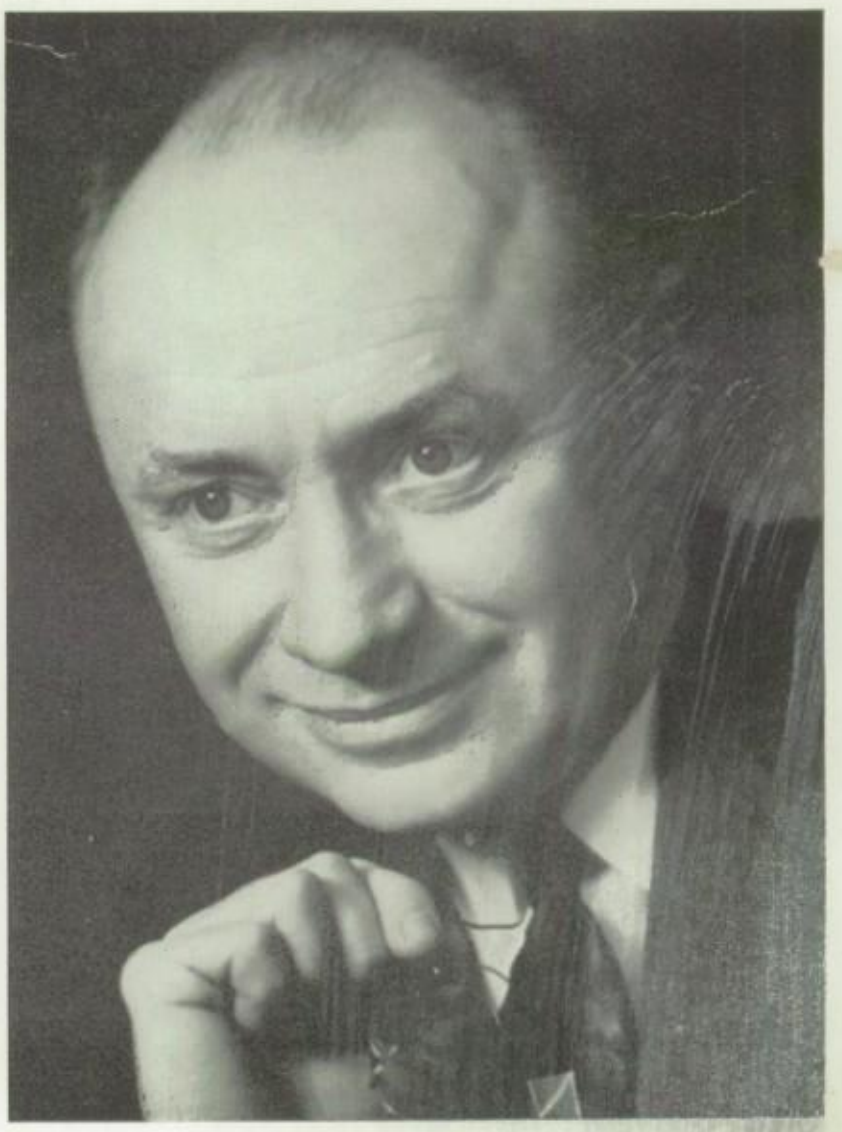
We sincerely want to thank the staff members of the annual, who worked endless hours; the teachers, and the students who have cooperated so willingly with us. Without their help and splendid assistance, we would have only a small part of what we wanted our yearbook to be. For the seniors, this is the record of their last year of high school, and we hope it to be the best. For the rest, there will be other years, but do not forget 1950—for it, too, was yours. As editors, we thank you for the opportunity to edit your yearbook—the Newtonia of 1950. May the future hold for you all the success which you so richly deserve.

ANN AND BOB

To You We Dedicate . . .

SUPERINTENDENT OF SCHOOLS

B. Conrad Berg . . .
for thirty years of outstanding service
in the school system of Newton.



HIGH SCHOOL PRINCIPAL

H. A. "Pop" Lynn . . .
Teacher, coach, principal . . . twenty-five years of enthusiastic co-operation with the students and faculty of Newton High.

With an attitude of community spirit these men have added greatly to our city and have attributed much to the success of Newton High School in scholarship, athletics, and activities.

Foreword

This 1950 annual is for you, the students of Newton High School, from your annual staff. It is a product of months of hard work, of busy pens, and aching heads. We know there will be mistakes, but we sincerely hope they are not too serious. This is your book, a record of your high school days.

Looking into its pages, you will see your friends, teachers, and the activities you participated in. The lens of our camera has caught many snaps and scraps of things you have probably forgotten; a cross section of events and happy days.

Reproduced as a part of you; of your life, we hope these pages will recall to you in future years the memories of your high school days—memories which were a product of these, "The Best Years of Our Lives."

Bus Drivers

The bus drivers play a very important roll in the lives of many Newton High students. They have the responsibility of getting the students to and from school.

Cooks

The cooks have the responsibility of providing lunch for many hungry Newton High students and faculty members. The lunches are very good and are enjoyed by all during the winter months. The hot lunch program stops about a month before school is out for the summer.

Left to Right: Mrs. Davis, Mrs. Clyde Campbell, Mrs. B. M. Vance

Janitors

The Custodians are familiar figures around Newton High. These patient individuals are as much a part of the school as the faculty and students. They keep the buildings neat, and are ever ready to lend a hand.

Left to right: George Nolin, John Kelso, John Baarda

Coaches

Our coaches this year as always, have made Newton's sports schedule one of the finest in the state. They have all worked hard to train our teams into shape for the tough competition we have to encounter. In basketball, football, wrestling, tennis, golf and all other sports Newton High enjoys, we know our teams will always be "tops," thanks to the coaches!

(Left to right) Coaches, Chism, Eidahl, Millikan.

Cheerleaders

Our thanks go out to John, Carol Lee, Don, and Donna for the wonderful job of cheerleading they did this year. They really did a swell job of thinking up new yells and carrying forth the school spirit in those hard fought games, regardless of results.

(Left to right) John Mateer, Carol Fry, Donna Trotter, Don Monroe.

Newton pulls through safely.

Schedule

Ottumwa 0 — Newton 34

Displaying a varied and well balanced offense and a rock ribbed defense, the Cardinals inaugurated their 1949 football campaign with a highly impressive and somewhat unexpected massacre over Ottumwa.

Ames 21 — Newton 14

An evenly balanced offense and defense spelled defeat for the Cardinals on the Ames turf. If the Cards could have played the last quarter as they did the first quarter they may have won this important C. I. C. game.

Loras, Dubuque 35 — Newton 14

A rugged and lightning fast Loras eleven taught the Cardinals a bitter but impressive lesson in offensive football, while grinding out a 35-14 victory over the Cards.

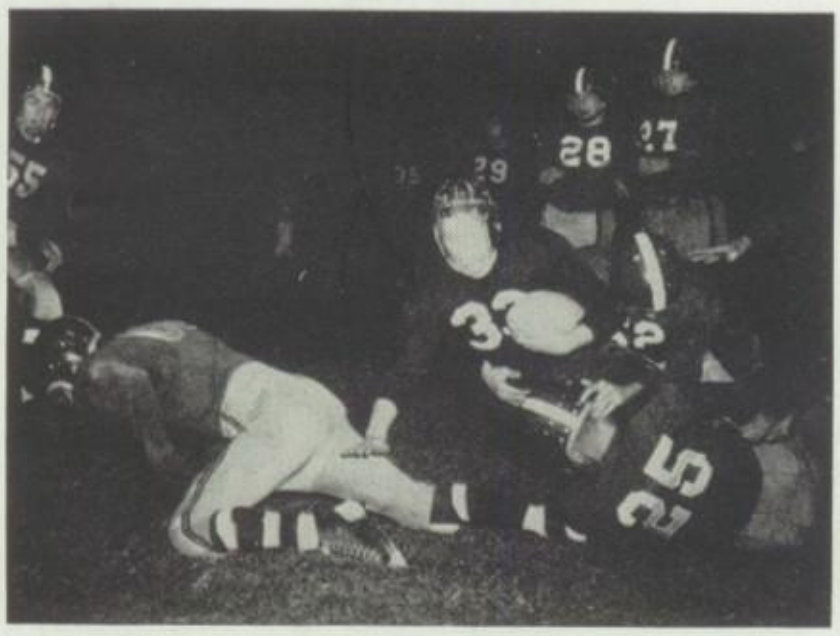
Grinnell 0 — Newton 40

Long hours of blocking and tackling drills together with the bitter lesson the Loras game taught paid worth while dividends as the Cardinals crumpled Grinnell 40-0.

Roosevelt 20 — Newton 19

Trying again this year to erase the Rough-Riders undefeated team, Newton was slow to take advantage of their mistakes and failed to make the one costly extra point. The Roughriders were striking with swiftness in the air as well as being alert and in spite of the Cards fighting spirits they went down in defeat.

Cards display a stiff defense.



Bowie takes the pigskin around end.

Oskaloosa 13 — Newton 25

Erasing the early Indian lead in the Homecoming game, the Cardinals displayed energetic bursts of offensive and defensive power. The Newton Cardinals helped their C. I. C. rating by defeating Osky 25-13.

Boone 6 — Newton 6

A badly outplayed Boone Toreadore eleven took full advantage of several costly errors to battle the Cardinals to a 6-6 deadlock at the Boone gridiron.

Marshalltown 20 — Newton 13

The husky Marshalltown Bobcats, with an "assist" from Lady Luck and aided by several Newton fumbles, recovered from a first quarter deficit to carve out a 20-13 victory at the Cardinal turf.

Managers

Our thanks go out to the football managers Dick Smith, Lenly Gearhart, Max Moon, and Bill Fox for their splendid job of being student managers during the football season. They were always on the job helping where and whenever needed. It is indeed a great asset to a team to have such capable managers.

Homecoming

Homecoming this year was, as usual, a traditional event in Newton High. Preceding the game, which this year was played with Oskaloosa, gay festivities were held. A big pep meeting was held seventh period with a homecoming parade following complete with pep band, team, queen, cheerleaders, and a huge crowd of cheering students. Following the crowning of the queen, and the game, which took place without a speck of rain, and which, incidentally, we won 25-13, a large dance was held at the "Y". Both Osky and Newton students were present, and although the Osky spirit was a little dampened, the celebration went off with a big bang.

Queen

The highlight of the Osky game was the crowning of the Homecoming queen and her attendants. They were elected by popular vote of the student body. Any senior girl was eligible and the girl receiving the highest vote automatically became queen followed by the next four who were her attendants.

Jody Lister wore the crown this year, and her court consisted of Joan Parker, Connie Wensel, Pat McMurray, and Carrie Knopf.

Football Lettermen

WENDELL JONES (33) A senior this year, "Windy" has been an outstanding offensive and defensive end for the past two years. He was rated first team all conference and received honorable mention in all-state.

JACK WYATT (34) Jack played first team offensive right tackle and saw some action at defensive tackle. He is a senior this year.

BOB TROUT (35) Bob was a fine blocker and a hard driving fullback, besides being an excellent passer. A senior this year, he served as co-captain of his team.

DONN CAMPBELL (20) A Senior, Donn was the mainstay in the Cardinal line this year. He was rated second team all-conference and seventh team all-state.

HOWARD BOWIE (21) Howard developed into a fine open field runner. A senior, he was rated first team all-conference and received honorable mention all-state.

BOB RONEY (22) A senior, Bob held down the right guard position on offensive, and played a fine defensive game, especially against Ames.

TOM SHARP (23) A junior this year, Tom proved to be not only a good blocker, but a fine defensive man. He should be in good shape for next year's team.

CHARLES JARNIGAN (36) "Chuck" was a very fine running and passing tailback. A senior, he received honorable mention all-state.

CRAIG WRIGHT (38) A senior this year, "Doc" was a very hard driving fullback.

GALE EATON (39) Gale turned out to be a very good offensive tackle and also a good blocker. He is a senior this year.

NOT PICTURED

BOB SPARKS—A senior this year, Bob has been an outstanding player for two years. He was a vicious defensive end, and also served as co-captain of his team.

RONALD SIMPSON—A junior, Ronnie played defensive tackle. He shows great promise as a line man next year.

DICK STARR—Dick proved to be good field general, and also a fine passer. A junior this year, he should be excellent material for next year.

Football Lettermen

JACK FRY (41) A senior, "Tiny" was the big boy in the center of the Cardinal line. He held a first place berth on the all-conference team and received honorable mention all-state.

LOWELL JONES (52) A good defensive guard and vicious tackler, Lowell will be returning next year.

GEORGE LANTZ (53) A junior, George was a fine blocker and a hard driving half-back.

RODELL LIGHTFOOT (25) A senior this year, he saw considerable action at left tackle.

RONALD RINGGENBERG (28) A junior, "Ron" was a very fine hard hitting defensive tackler. He will be fine next year.

BILL SHRUM (30) A senior, Bill was a fine defensive full-back and half-back. He also played offensive back.

BRADLEY BEALS (31) A fine defensive half-back and also a good offensive quarterback, "Brad" is a senior this year.

FRANK LEYDENS (60) A senior, Frank was the signal caller of this year's team. He was also a fine blocker and tackler.

DALE MILLER (59) The only sophomore letterman, Dale was a very good broken field runner and blocker. He should develop into excellent material.

DAVID HUTCHINS (54) A senior this year, "Hutch" transferred from Perry. He took his place as a good defensive man and was also a fine booter.

NOT PICTURED

DONALD RINGGENBERG—"Don" did a very fine job on the end-around plays this year. He will be with us in the fall.

DON SHERRICK—Another junior, Don was a vicious defensive line backer and guard. He was rated third team all-conference.

BILL ROBSON—Also a junior, Bill was one of the better offensive ends. He was also a very hard blocker.

National Athletic Honor Society

The National Athletic Honor Society, organized in 1925, is a nationwide organization for high school athletics. A boy that has been elected to this society has attained the highest award possible for high school athletes. The purpose of the organization is to foster high scholarship among athletes, to stimulate balanced training, to elevate ideals of sportsmanship and develop more outstanding leaders.

To achieve this honor a boy must have shown the highest type of citizenship and sportsmanship; his grades for three consecutive semesters must be a C average or higher; and he must have earned a letter in either a major or minor sport.

The different sports in which major letters are won are football, basketball, track, golf, tennis, and wrestling. These letters are given to those who have participated the required number of quarters and have received sufficient number of points to be eligible. Besides these qualifications, personality characteristics which are emphasized are Leadership, Character, Scholarship, Service and Sportsmanship.

As this is the National Athletic Honor Society, a boy may rightly feel proud to be a wearer of the emblem of such an organization. It means that wherever he may go in this country, he will be recognized as a good representative of high school athletics and scholarship.

This year the organization is composed of two returning members, besides nine others who are new to its ranks. From this number four are seniors and seven are juniors.

Basketball Lettermen

CHUCK JARNAGIN, senior forward, was the scoring spark of the Newton team. Chuck was high scoring man in most of the games and did a good share of the rebounding too. He rated first-string all-state IDPA team, and was voted Iowa's number one all round forward. He was second high conference scorer and was on first string CIC Conference. This ends three years of varsity play for Chuck.

FRANK LEYDENS, senior forward, the all-round man for the Cards. Frank's height didn't prove a handicap in rebounding and his scoring was good whenever it was needed. Frank rated on third string CIC Conference.

DAVE HUTCHINS, senior center, a good rebounder and defensive man. Hutch was transferred from Perry and this was his first year as a Cardinal Cager. Hutch rated second team CIC Conference and received honorable mention on all-state team.

"WINDY" JONES, senior guard, was noted for his flashy ball handling. Windy's ability in stalling and splendid passing was probably the deciding factor in many of the close games. He rated second string CIC Conference and received honorable mention on state team. This ends three years of varsity basketball for "Windy".

DICK STARR, junior guard, a wonderful rebounder and ball handler. Dick did his share of the scoring especially on long shots. Dick received honorable mention on CIC Conference team. We'll be hearing plenty of Dick next year.

Left to right: Coach Millikan; Donn Campbell, Chuck Denniston, managers.

BOB SPARKS, senior guard, filled in whenever necessary. Bob's ability didn't lie in point making but keeping the other team from scoring.

BOB TROUT, senior center, likewise filled in when needed. Bob was a fine defensive man and held down the center post wonderfully.

DONNIE RINGGENBERG, junior forward, likewise filled in when needed. Don was a good defensive man and didn't do too much shooting but when he did it was usually good for points. We'll hear more of Don next year.

SOPHOMORE BASKETBALL

The Newton sophomore cage force finished its season, which had its ups and downs, winning nine games and loosing ten. Bad luck, coupled with the fact that they never had the breaks, certainly didn't help them in winning games. A scrappy team, several players are going to be strong contenders for a position on next year's cage squad.

FRESHMAN BASKETBALL

The Cardinal freshmen cagers wrote hardcourt records this season, equal to their gridiron performances last fall. A smart, little team, their record at the end of the basketball season stood at eight wins, and three losses.

DEAN LUFKIN—Dean is a sophomore and wrestled in the 123 pound class, winning seven and loosing three of his matches. He placed fourth in the State meet at Iowa City.

JERRY SALMON—Jerry is a freshman, wrestling in the 135 pound class. He won one match and lost three. Jerry placed third in the District meet and was a State contender.

MIDDLE ROW:

LENLY GEARHART—Lenly is a sophomore and wrestled in the 95 pound class, winning two and loosing eight matches. He placed fourth in the District.

WARREN DE PRINGER—Warren, a junior, wrestled in the 118 pound class, winning nine matches and loosing one. Warren, placed first in the district and was a contender in the State meet at Iowa City.

BERT SCARBROUGH—Bert wrestled in the 129 pound class and is a junior. He won three matches and lost four.

HOWARD McKELLIP—Howard wrestled in the 105 pound class and is a sophomore. Howard won three and lost five of his matches.

BOTTOM ROW:

JACK FRY—Jack is a senior, wrestling in the heavy-weight class. He won seven and lost three matches. He placed second in the District meet and was a State contender at Mason City.

DON YOUNGKIN—Don wrestled in the 155 pound class and is a junior. He lost five of his matches and won three. He placed fourth in the district.

GLEN BRECKENRIDGE—Glen is a junior wrestling in the 112 pound class. He won five and lost one of his matches.

HOWARD BOWIE—Howard, a senior, wrestled in the 145 pound class. He won four matches and lost three. He placed third in the District meet.

1950 Track

Because of the early publication of the 1950 annual we will only be able to give you a quick setting for the spring track season in N.H.S.

Although graduation took a large part of the Cardinal track power, indications point to the fact that this year's trackmen will be better balanced than the 1949 crew.

At the State Indoor meet at Iowa City, Newton placed nineteenth, unable to show any real strength. However, the following week the squad placed fourth at the Valley Relays. Dick Starr received a first in the high jump, going over the bar at 5 ft. 7 in. The other Newton points were scored by the two-mile relay, and the broad jump by Don Ringgenberg.

Again going up a step, the Card thinclads placed second in the Osky Relays. In addition to the mile relay in which Newton pulled down second place, the Cardinals garnered points in three of the other relays. In field events Jack Fry heaved the shot to drag down third, while Dave Hutchins placed second in the football throw behind Ritter of Grinnell.

Many of the performances of the Card cindermen were very encouraging, and according to all heretofore indications, the Newton thinclads should have a very good season.

As the annual goes to press the results of the other track meets of the season are unknown.

Thinclads warm up during practice for a meet.

1950 Track

The Newton sprinters will participate in at least ten and possibly thirteen meets this spring. The tentative schedule is as follows:

SCHEDULE

April 8—State Indoor Meet at Iowa City Fieldhouse.
April 15—Valley Relays at Dest Des Moines.
April 21—Oskaloosa Relays at Oskaloosa.
April 25—Nevada at Newton.
April 28-29—Drake Relays at Des Moines.
May 3—Marshalltown at Marshalltown.
May 6—Grinnell Interscholastic at Grinnell.
May 12-13—State District Meet.
May 15—Grinnell at Newton.
May 19—Central Iowa Conference meet at Oskaloosa.
May 22-23—Undergraduate dual with Ames.
May 27—State Outdoor meet at Iowa City College track.

MANAGERS

Student managers for the Cardinal cindermen this year are Craig Wright, Rodell Lightfoot, Lenly Gearhart, and Ronnie Jarnigan. They have done a very fine job, and they should be given many thanks.

Golf

Two major letterwinners and a minor award winner are among the candidates for the Newton golf squad this season. So far their only action has been against the Roosevelt golfers, in which they were defeated. The Card linksters are slated to see action eight times, the schedule being as follows:

April 18—Roosevelt at Newton.
April 25—Roosevelt at Des Moines
May 6—Invitational tournament at Ames.
May 9—Ames at Newton.
May 13—Central Iowa Conference Meet at Newton.
May 15—North at Newton.
May 20—District tournament at Des Moines.
May 27—State Meet at Ames.

Tennis

The struggle for berths on the tennis team is a wide open affair with 13 candidates working out each day at the Maytag Park courts. The team will be built around four minor award winners, two being lost by last year's graduation. As the golfers, their only action has been against the Roosevelt squad, in which they were defeated. The 1950 netmen schedule includes seven outings, being as follows:

April 18—Roosevelt at Newton.
May 2—Roosevelt at Des Moines.
May 6—Tournament at Grinnell.
May 9—Ames at Newton.
May 15—North at Newton.
May 20—District tournament at Des Moines.
May 27—State Tournament at Ames.

Student Congress

Student Congress is made up of the officers of the Junior and Senior classes and a representative from each of the sophomore homerooms. They plan and arrange all school functions and try to run the school as the students wish.

They met regularly every Tuesday morning during pre-assembly to discuss problems and coming events. With the aid of their capable officers Bob Sparks, president; Tom Sharp, vice president; and Jerry Wise, secretary-treasurer, the Student Congress has done a wonderful job of carrying out the students wishes and desires. We want to extend our thanks and appreciation for all they have done to make N.H.S. a finer school.

Student Council

Student Council is the Junior High organization of representatives of the student body. Each home room elects one member to the council. All problems and events are presented before the group to be discussed and solved. This year the officers were as follows: president, Betty Graham; vice president, Pat Johnson; secretary, Sandra Emmert; treasurer, Marilyn Murdy.

Campaigns

During the first weeks of school, all thoughts turned to the big problem of electing the class officers and leaders for the coming year. The classes having been divided into two parties, Nationalists and Federalists, the campaigns were quickly gotten under way by the hard working managers. Stickers were printed for each party, and every student was sporting a gay party ribbon. Having held their separate rallies, posters sprang up on every wall and bulletin board with witty and clever sayings boosting the various candidates.

The result of all this hard work was worthwhile for both parties. It might have been luck or coincidence, but probably the equality of the party members made the election come out so evenly. Each party in both the Junior and Senior classes had three candidates elected.

Recognition and thanks should be given to the four campaign managers for their work both during and after the elections. Scraping stickers and tearing down posters was never considered much fun, but all signs of the election had disappeared by the morning after—thanks to the managers. As we said before, the results of the vote were proof enough that both parties were equally enthusiastic in their campaigns.

MARYANNE EVANS

Salutatorian

The motto our class has chosen is, "What we are to be, we are becoming." One of the most important factors in what we are becoming is the school. The habits and characteristics we have formed during school years are the ones we will probably have all our lives.

For the school, our graduation will merely mean another job finished, another class graduating, but the school's impression on us is one that cannot be fully evaluated. Our school has given us the tools with which to build our futures. True, the strength of the tools, and their size, depends upon the industriousness of each individual in securing them; but, nevertheless, they have been there waiting to be grasped.

We have had numerous opportunities which cannot be fully appreciated. Many opportunities will still wait for us when we are ready to find them. Whether we go on to school or find some other line of occupation, the influence of what we have had here at Newton High School will be felt time after time.

Our years as a group will soon be ended. The members of our class will be scattered over many different places and activities, but each one will find his niche in the cogs of the world's machinery. Each will have his own part to play.

We have been given our chance. We only hope to be able to give something in return.

Valedictorian

Twelve years we have worked toward it—graduation! And now that the time to leave Newton High has really come, we do so with mixed feelings. For these years have not been spent without many deep influences upon us, and it is natural that our happiness of reaching graduation be tinged with regret.

We feel happiness for a thing accomplished, regret for a thing that is done; eagerness for a new sort of life, sadness that this old familiar life is no more ours to live; excitement for a new feeling of independence, and apprehension of being on our own in an unsettled world.

But may the least of our feeling be resignation because, though graduation marks the end of high school for us, it is actually the beginning of a new and fuller life. And may the accomplishments we have made here not be laurels to rest upon, but, instead, the prods to make us fulfill the promise we have shown.

Together as a class we have reached one goal. Now as individuals may we each make for ourself security, success, and happiness.

Delta Mu Delta

Delta Mu Delta, a national honorary society, has been in existence in Newton High for many years. To be eligible to belong in your junior year you have to be in the upper five per-cent of the class.

Ten percent of the senior class is chosen on the basis of scholarship, leadership, service, and character. These students must be in the upper one-fourth of the class. The top four seniors are the year's officers. As well as the informal stunts which were planned by old Delta Mu members, an impressive formal ceremony was held for formal initiation.

The society has chosen for its emblem the torch of knowledge surrounded by the letters C. S. L. S. which stand for character, service, leadership, and scholarship.

Y-Teens

Every girl in high school is eligible to belong to Y-Teens if she wishes to. It is an organization to give girls the opportunity to work together at the things that interest them most. This year, various programs have been held which were a lot of fun for the girls. "Over nights" were given for the different classes, which included swimming, badminton, basketball, and very little sleep. Also, a Marti Gras, a Christmas party for small children, and a Mother-Daughter Banquet were part of the year's activities.

Science Club

The Science Club is for the benefit of all students interested in scientific study. They hold their meetings at noon, and with the aid of Mrs. Brown, dig deeper into the study of their scientific interests. This year they have had some very interesting programs, besides the Biology Fair which, of course, held much attention. The officers elected for the past year were as follows: JoAnn Guthrie, president; Lavonne Burrichter, vice president, and Myrna Price, secretary-treasurer.

Row 1: Woody, Bleakney, Langmaid.

Latin Club

For the fourth year the Concilium Latinium has been active in N.H.S. The advisor of the club is Miss Wilcox. The members of this organization are all interested in foreign languages and in this club they have a chance to express their viewpoints and discuss topics of interest and importance.

Library Club

Helping students to find library material is the purpose of the library club staff. Miss Turner is their advisor. From this staff one girl is assigned to the library table each period. They are always willing to help you in selecting and finding a book to read for pleasure, a report, or research. Keeping track of books, charging fines, arranging displays and shelves are some of their most important duties.

Forensic League

The National Forensic League which is a national organization, was formed only four years ago in Newton High. Members of this group are all, in some way, very much interested in public speaking. Points are given for performances and a certain number is required for membership. The groups which are participated in are: interpretive reading, extemporaneous speaking, and debate. The students also have an interest in dramatics.

Debate

Under the direction of Mr. Grout, the debate team has been very active in the past year. They have attended many debate meets both at home and at other schools. The question which they debated this year was; Resolved: That the President of the United States should be elected by the direct vote of the people. This year the team was made up completely of Juniors, Sophomores, and Freshmen. There were no Seniors on the team.

Seated: Sawyer, Brahms, Burrichter, Kool.

Thespians

The members of this national organization are all, in some way, very much interested in dramatics, such as lighting, acting, and all kinds of crews. A certain number of points must be compiled throughout the productions of plays to become a member. This year the club has been very active, initiating a large group of new members and holding meetings in which they discussed various topics connected with dramatics. The officers for this year were:

President - - - - - Ann Brierly
Vice President - - Delmar Hendricks
Secretary - - - Maryanne Evans
Treasurer - - - George Cammack

Quill and Scroll

Quill and Scroll is an honorary Journalistic Society. Only the scholastic upper third of the junior or senior class may be considered for this organization. Three semesters of either annual or newspaper, or a combination of both are necessary. They are then selected on the basis of quality, and amount of work done, and their interest shown in journalism. The members are then recommended to the national board and voted on as to whether they will become members. The officers for this year are:

President - - - - - - Bob Cohn
Vice President - - Maryanne Evans
Secretary - - - Norinne Shepherd
Treasurer - - - - Joann Richards

National Award Winner

JOAN GROSVENOR

A singular honor came to Newton High School this spring, when Joan Grosvenor, a senior this year, was awarded one of the five prizes given in the country for her essay on "My Contribution to the Preservation of the American Way of Life." The contest, sponsored by the Order of Redmen, drew ten entries from Newton, but Joan's was the only one to gain this national recognition. As her prize, Joan receives a $1,000 three-year scholarship to any college of her choice. Her essay, based on a poem entitled "Lines" which she wrote in English class, carried as its theme the thoughts of youth. Although we could not print the entire essay, we are publishing below the poem, as basis of her prize-winning paper.

LINES

"I would like to be a great artist with the world stretched across my easel. I would then blot all of the lines of color differences with paint of harmonious colors so they would no longer exist.

"I would like to be a famous engineer. Then I could erect bridges so people could satisfactorily cross the lines of fear and nations could live peacefully.

"I would like to be a powerful athlete, a magic footed runner, who at the finish of my race could break the lines of greed and selfishness.

"But who am I? I am only youth! But—I am the future artist, the engineer, and the athlete, united into one being."

Orchestra

Included in this year's many performances, under the direction of A. E. Burton, the city festival was given which included grade school, junior high, and senior high school students. It was directed by Mr. Mattern, a former graduate of Newton High.

Besides their various performances during the year, several soloists and small groups participated in contests this spring and did very well. Credit should also be given to the Theatre Orchestra which has added much to the dramatic productions throughout the year. The officers for the past year are as follows: president, Betty Lafferty; vice president, Jack Hafkey; secretary-treasurer, Jo Norris; librarian, Dick Stockton; business manager, Betty Lemley.

Band

The Band has been active in many activities in the past year, many of them new to Newton High. Instead of going to contest, the Band participated in the Tri-cities festival held at Fort Dodge, which also included Ames. The Band also made a transcription for KWDM which was played in February. They also gave their usual concerts throughout the year. A familiar sight at home football games, and a few out-of-town contests was the marching band in their new uniforms.

The basketball games were also livened up by the loyal little pep band. A lot of credit for the success of our sports program should be given to these students. The NHS band is under the direction of Mr. Robert Henry.

Mixed Chorus

Under the capable direction of Mrs. Olga Hoffman, the Mixed Chorus has been unusually fine this year. The annual Christmas concert was a part of their work, and it showed a great accomplishment. Many solos, and ensembles, besides the entire choir made the performance one of the most beautiful ever given. Also, the choir sang at some of the various assemblies during the year, including Thanksgiving, Christmas, and graduation. May 2, Newton played host to the Tri-City Festival which included Ames and Fort Dodge. The chorus, composed of about 225 voices, was under the direction of Maynerd Klein from the University of Michigan. After a day of work and practice, a very beautiful concert was given in the evening. Many of this year's singers also participated in the All-State chorus concert which was given in the fall. The officers for the past year were:

VOCAL GROUPS

The various vocal groups have participated in quite a few events. The Boys Quartette has sung in several programs, and pep meetings. The Mixed Quartette has also sung many places, and they sang a large part in the Christmas Cantata. The Girls Trio has been one of the most successful groups for the past two years. They have sung many places in Newton and have also participated in contest. The Girls Sextette which was formed at the start of the year, only sang a few places and then was disbanded. The performances these groups gave throughout the year were very successful.

Future Homemakers of America

This organization, The Future Homemakers of America, is made up of girls interested in that type of activity. The Homemaking group was under the advice and teaching of Mrs. Covey. The meetings of the group consist of learning new methods of cooking, sewing, and other home knowledge ideas. These girls have given several teas, and have also served several complete dinners during the year.

Future Farmers of America

Under the direction of Mark Schakel, the Future Farmers of America have been one of the most active groups in school. During the year they have farmed 54 acres of land southwest of town. They also won a tractor and equipment in the State Soil Conservation contest.

The F.F.A. Banquet was held with a fine turnout. Many trips were taken to observe and learn more about their subject. One trip was taken to the State Convention in Cedar Rapids.

This year the chapter had two boys entered in the state speaking contest. The two delegates were Tom Sharp and Don Youngkin. Both boys won the silver award.

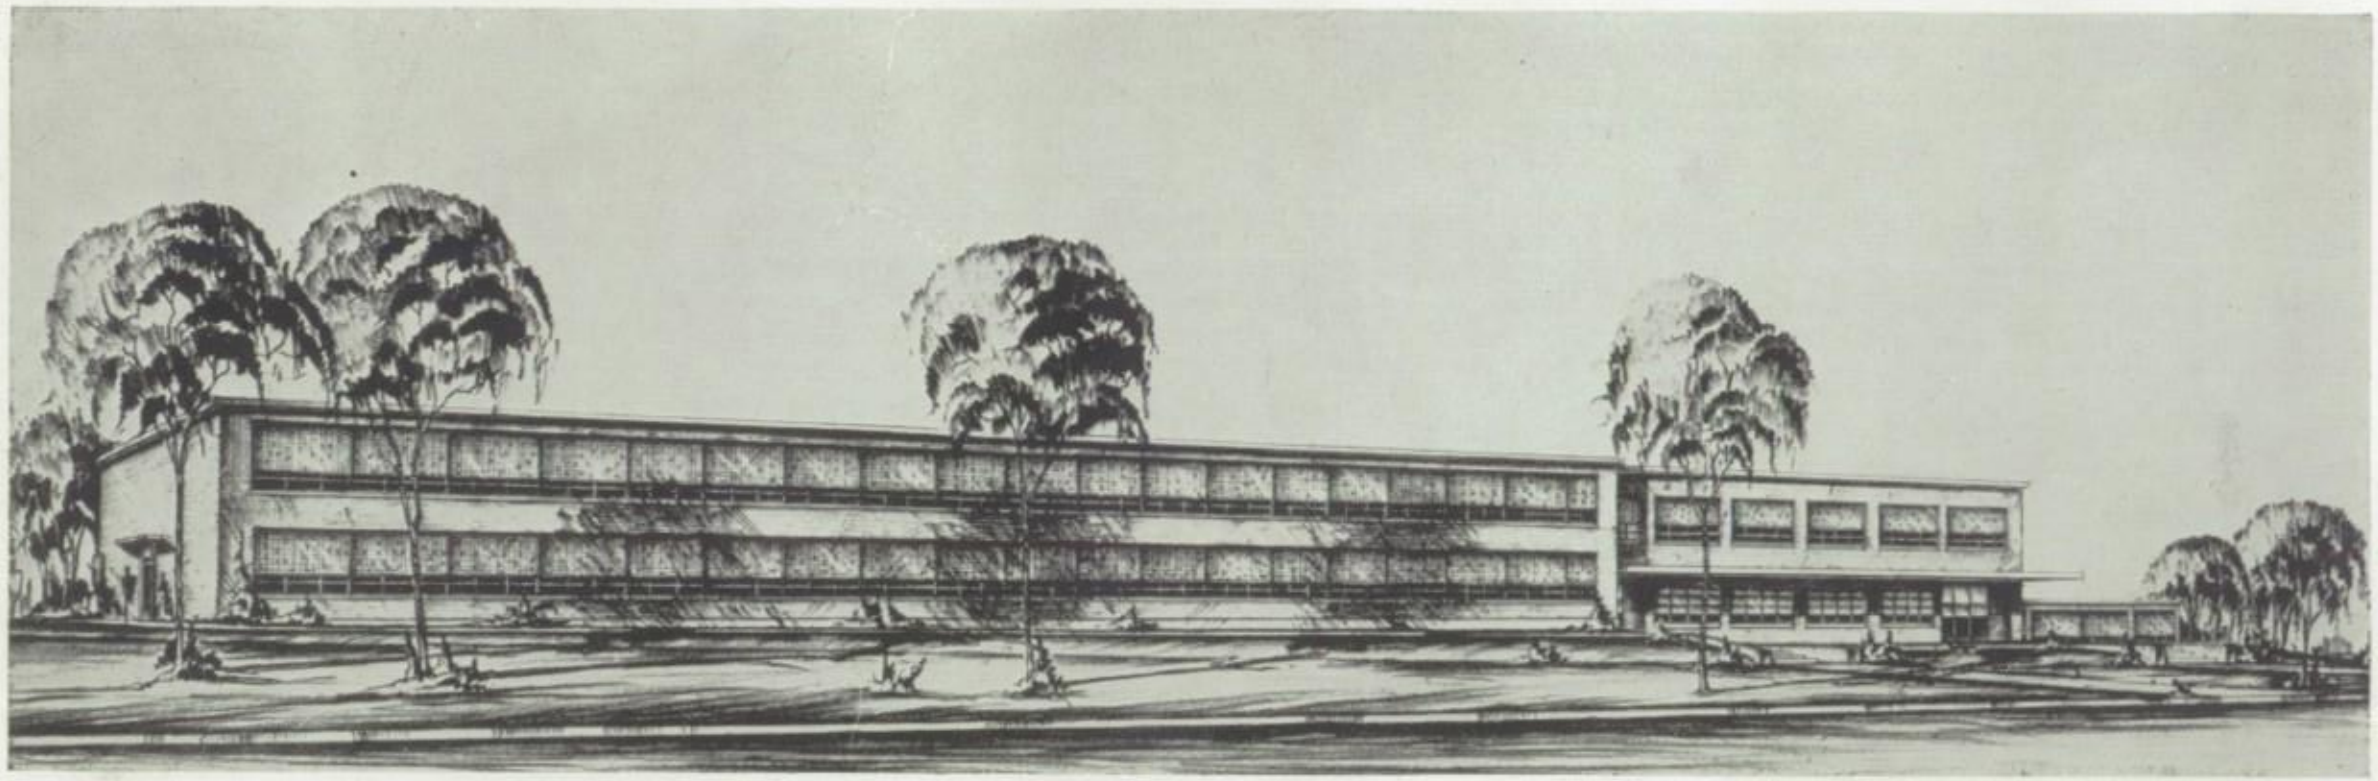
Coming Soon



As a result of the combined efforts of the P.T.A. and the Newton Senior and Junior Chambers of Commerce, who acquainted the people of Newton with the need for the facilities of a new high school building, the voters of Newton passed a $1,200,000 bond issue on December 7, 1949, to build the structure pictured in the artists drawing above. The building to be constructed will accommodate up to 725 students and will have ample space to carry on most of the extra activities so familiar to all high school students. The proposed sight is 20 acres of land at the south end of East 4th Street South. As planned, the ground floor will contain 11 classrooms, a lunch room, and the administrative offices. The second floor will have 13 classrooms, a library, and a small auditorium for speech work. There will be a large gymnasium, and an auditorium for civic as well as school presentations will be added later.

"Jahn & Ollier Again"

A familiar and reassuring slogan

FAMILIAR... *because it has appeared in thousands of the country's finest yearbooks for the past half century.*

REASSURING... *because those years of specialized experience bring complete service, outstanding quality and dependable delivery to the yearbook staffs with whom we work.*
